## **YOUR POSITION IN THE FIELD**

- The Golden Rule is just behind the group in front of your group – Not in front of the group behind
- The lowest handicap player in the group is responsible for the speed of play of his group
- If the distance between your group & the group in front opens up to more than a fairway then you must do one of two things:-
  - Pick up your speed & catch up or
  - Call the group behind to play through
- Penalties will apply (at the discretion of the Match Committee):
  - Placed at end of field for next competitions
  - 2 Stroke Penalty to each player in group

### **“SLOW PLAY IS SELFISH PLAY”**

## **HOW CAN “I” HELP MAINTAIN PACE OF ROUND**

1. Mark you card AFTER leaving the putting green
2. Park buggies to side of green instead of in front of green
3. Shortest “hitter” plays first – except if there is any danger of hitting someone else
4. “Putt Out” unless standing on another players line
5. Move purposefully between shots
